

The JOURNAL OF FOOD AND SOCIETY, begun in 1996, is the official publication of the Association for the Study of Food and Society (ASFS). ASFS is a multidisciplinary international organization dedicated to exploring the complex relationships among food, culture, and society. Its members, who approach the study of food from numerous disciplines in the humanities, social sciences, and sciences, as well as in the world of food beyond the academy, draw on a wide range of theoretical and practical approaches and seek to promote discussions about food that transgress traditional boundaries. More information about ASFS may be found at: [www.nyu.edu/education/nutrition/NFSR/ASFS.htm](http://www.nyu.edu/education/nutrition/NFSR/ASFS.htm).
